

Re-Plat Initiative from the City of Murphy

Homeowners West of Heritage in Phase One of Windy Hill Farms, especially if you live on one of these streets, Shelia Ave., Amber Lane, Matthew Way, Clay Drive, Jason Circle, Ashley Place, Kali Court, Zachary Walk, Amanda Court, Christopher Circle, Brandon Lane, John Close, Taylor Trail, and Karen Pass, the city is trying to contact you about re-platting the phase to match the construction that is in place.

The issue is the setback shown on the plat doesn't match what was constructed. The city is working with homeowners to correct this issue. If you received a letter and a door card asking you to participate and you haven't, I encourage you to do so.

If you have specific questions, our councilman, Owais Siddiqui osaddiqui@murhphytx.org will be happy to help. The city secretary, Susie Quinn squinn@murphytx.org will also be able to answer questions.

If you have any questions, I will be happy to help. My email address is dorthy.zech@gmail.com.

Thank you,

Kim Zech

Windy Hill Farms HOA Secretary
